

WCFA is Going on The Road...

To Western Beef Development Centre's 19th Annual Summer Field Day!

June 20, 2017

Termuende Research Ranch, SK

WBDC provides a link between 'the lab and the land'. Practical and applicable research is used to provide technologies that enable producers to be competitive.

The Field Day will feature presentations from Chip Hines (Managing Efficiency in the cow herd), Dr. Lardner (20yrs at Termuende), & Dorothy Murrell (A look at the Livestock & Forage Centre of Excellence). The day will conclude with field tours & a steak supper.

COST:

APPROXIMATELY \$300/PERSON
(LODGING, TRANSPORTATION, &
FIELD DAY COSTS INCLUDED)

** COSTS MAY VARY WITH DOUBLE
OCCUPANCY OF ROOMS & NUMBER OF
ATTENDEES. MEALS NOT INCLUDED.*
